

Testrapport Transformers Community

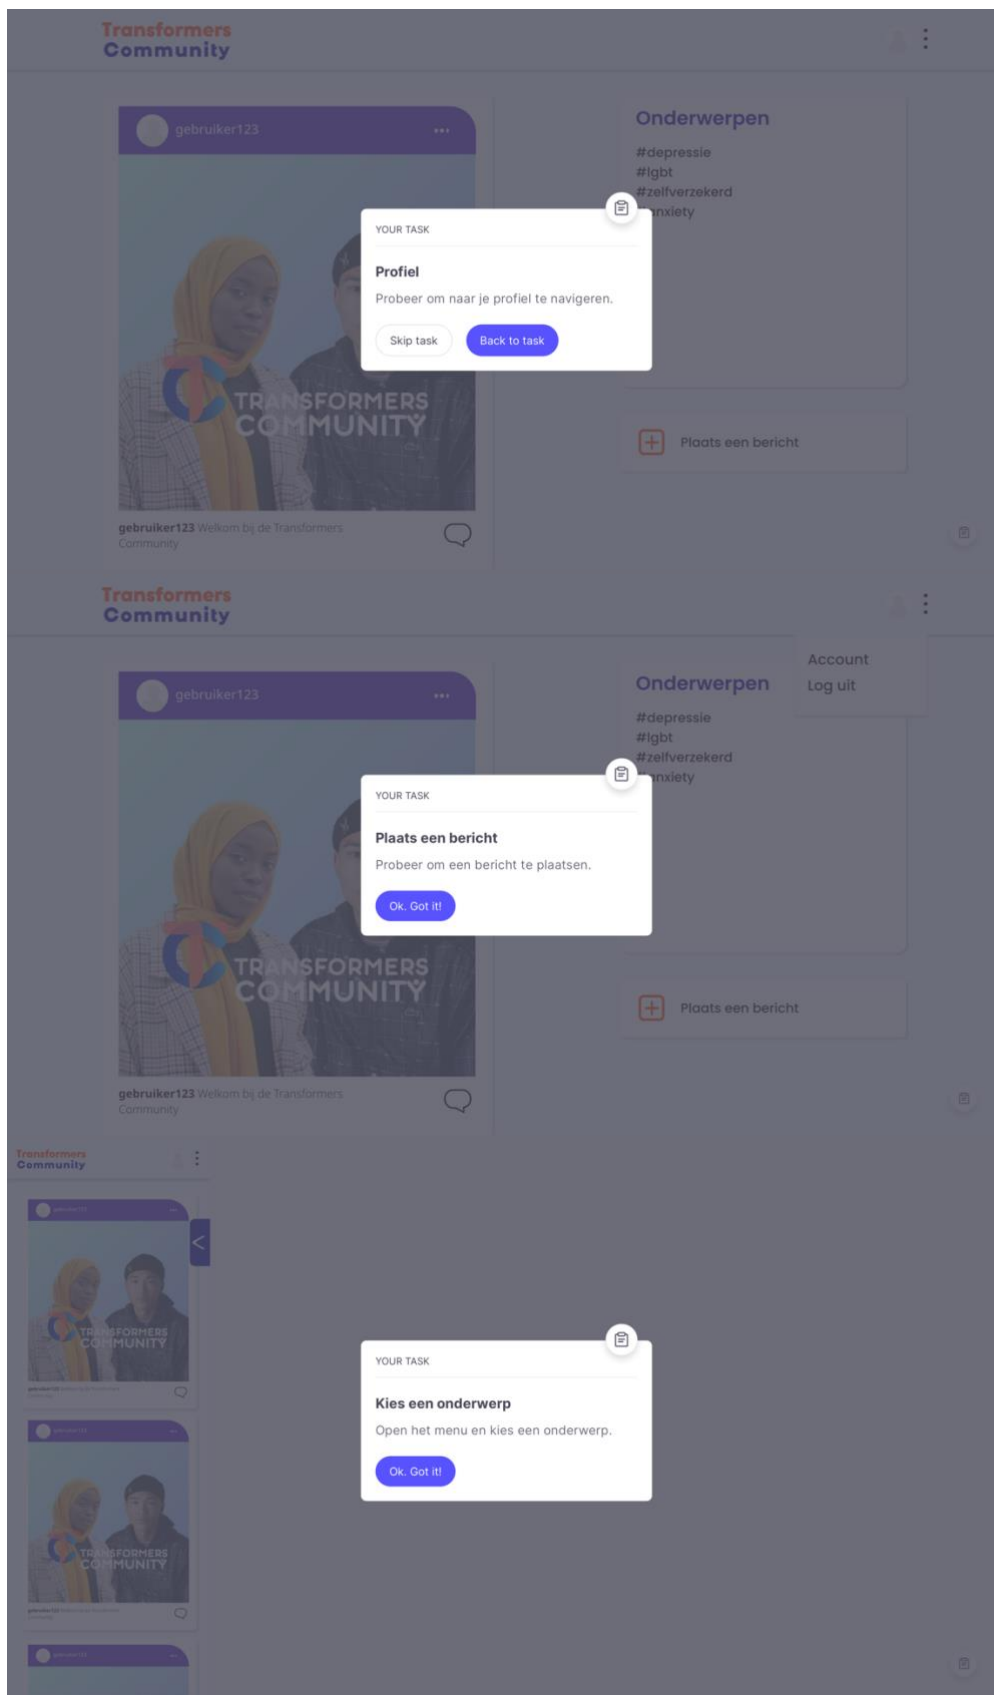

Samed Polat SD2A

13 oktober 2021

Inleiding

We hebben 10 mensen gevraagd om de prototype website van Transformer Community te testen met behulp van Useberry. In totaal hebben 4 deelnemers de test voltooid. Hieronder zie je de gegevens, taken en resultaten van de usertesting op de huidige prototype van Transformer Community.

Conclusie

De deelnemers waren vrij snel klaar met de taken, soms treden er problemen op door de responsiviteit van de website, maar verder ging het prima. Ik ben in conclusie gekomen dat de prototype gebruikersvriendelijk genoeg is.
